INTERNATIONAL CHEF'S DAY

On Wednesday **October 19th 2016**, our members hosted an event for International Chefs Day at The Gore Meadows Community Centre in Brampton. We had the pleasure of working with Ms. Billings Grade 6 class from Castlemore Public School. International Chef's Day is celebrated worldwide as a way to give back to the community as cooks and chefs. It was started in 2004 by the **World Association of Chefs Societies** (WACS - WORLDCHEFS).

Our International partner in this initiative is Nestle Professional.

Our local partner, Humber College, generously donated all the food and supplies.

And our thanks to The Gore Road Community Centre for their support
